

TODO List Manager on Steroids

User Manual Document

Team 3.09

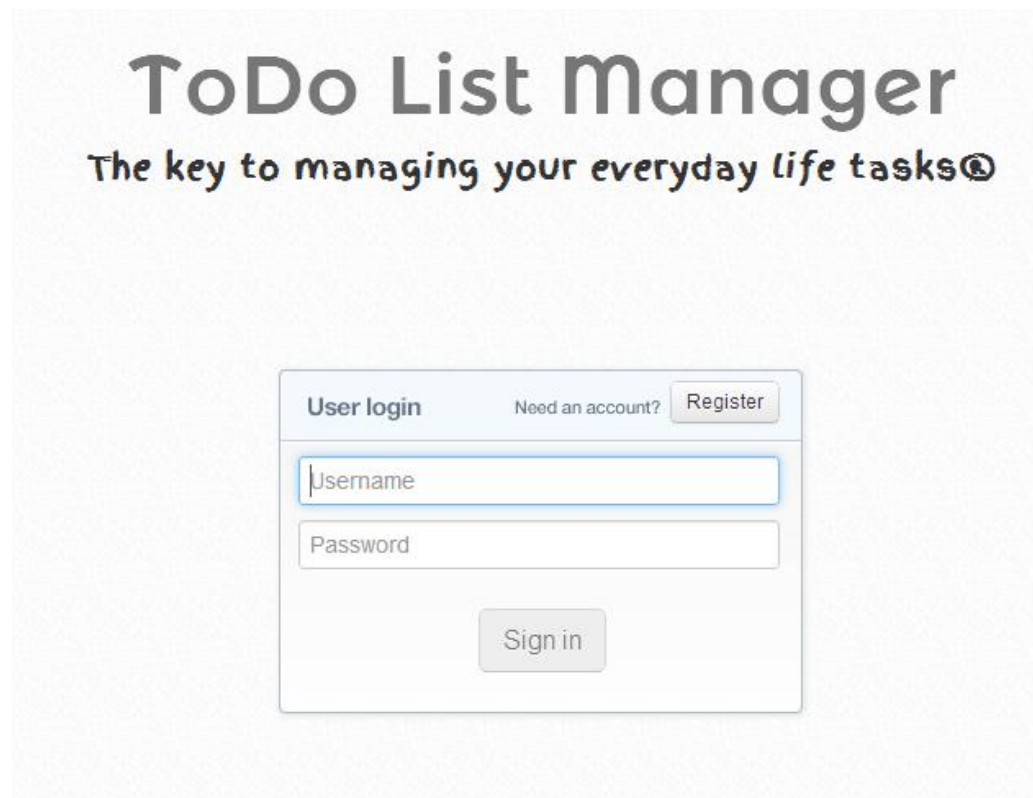

Overview

The To-Do List application will have the following modules: Login, Create account, Delete account, Task manage, Task and User Sync up functionalities. The corresponding functions for these modules are presented as follows:

1. Login Page

For an existing user, he/she can login with valid username and corresponding password. There are actually two interfaces that we are dealing with. One is for the Mobile users and the other is for the Web users. Both the interfaces are presented below.

MTM:

The image shows a mobile application interface for MTM. At the top, there is a status bar with '3G' signal, a battery icon, and the time '3:53'. Below the status bar is a header with the MTM logo (a bee) and the text 'MTM'. The main content area contains a login form with two input fields: 'Username' with the value 'q' and 'Password' which is empty. Below the input fields are two buttons: 'Add user' and 'Login'. At the bottom of the screen is a large button labeled 'SYNC'.

2. New User Page

A user who is not registered before can create a new user account by clicking on the “Register” button on top right corner of Login Page. The user will be prompted to give his username, password and confirm password for successful registration. A screen as shown below will be seen when signing in as new user on **WTM**.

The screenshot displays the 'ToDo List Manager' interface. At the top, the title 'ToDo List Manager' is prominently displayed in a large, bold, dark grey font. Below it, the tagline 'The key to managing your everyday life tasks®' is written in a smaller, italicized, dark grey font. The central focus is a light blue rectangular box containing the login and registration options. Inside this box, the text 'User login' is on the left, 'Need an account?' is in the center, and a 'Login' button is on the right. Below these, there are three input fields: the first contains the username 'manika', the second is for a password (masked with dots), and the third is for a confirm password (also masked with dots). At the bottom of the box is a blue button labeled 'Register account'.

MTM:

The image shows a screenshot of an Android application interface. At the top, there is a status bar with '3G' signal, a battery icon, and the time '3:56'. Below the status bar is a dark header bar containing a small icon of a bee and the text 'Add New User'. The main content area is white and contains three text input fields labeled 'Username', 'Password', and 'Confirm password'. The 'Confirm password' field has a blue underline. Below the input fields is a grey button labeled 'Add user'. At the bottom of the screen is a wide grey button labeled 'SYNC'.

3. Task Manage Page

Once having logged in, the user can observe and interact with his task manage page. This page will display a list of tasks that the user has to accomplish, with the task name, due date and priority. The user can select one or more tasks by ticking the checkbox and choose to hide (implicating the task has been accomplished) the selected tasks. The user can also click on a specific task to view and choose from a list of Menu options like “Sort list by date”, “Sort list by priority”, “Delete” and “Edit” the selected item. A new page for adding tasks will appear when the user clicks on the “Add” button.

The priority once set by the user is depicted with the help of a colour scheme, where red shows “high priority” and yellow shows “low priority”.

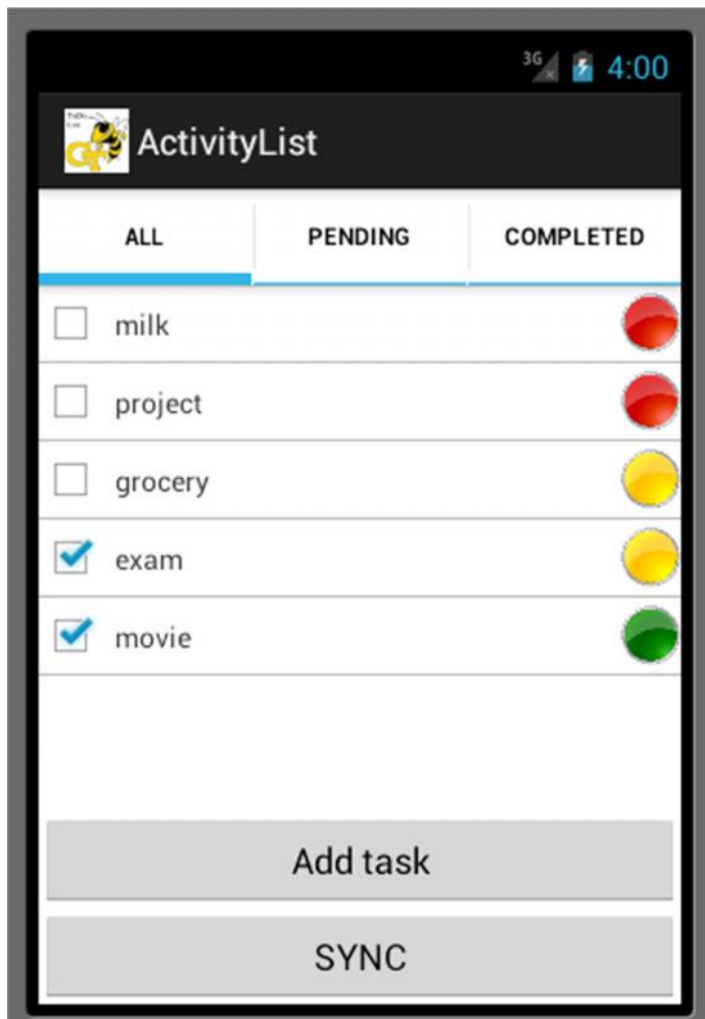

WTM:

The screenshot shows a web application titled "ToDo List Manager" with the tagline "The key to managing your everyday life tasks". The interface includes a header with "Display options:", "Completed tasks:" (with an eye icon), and "Logged in as: manika" (with edit and power icons). The main content area lists five tasks, each with a checkbox, a name, a due date, and a priority indicator. Task 1 is checked and has a due date of 11/01/2012 10:00AM. Task 2 is checked, has a "Warning!" label, a due date of 10/01/2012 10:00AM, and a "Low" priority label. Task 3 is checked, has a "Warning!" label, a due date of 10/01/2012 10:00AM, and a "Low" priority label. Task 4 is unchecked, has a due date of 11/01/2012 10:00AM, and a "High" priority label. Task 5 is unchecked and has a due date of 11/01/2012 10:00AM. At the bottom, there is a blue button labeled "Add new task" with a gear icon.

Task Name	Due Date	Priority	Status
Task 1	11/01/2012 10:00AM		Completed
Task 2	10/01/2012 10:00AM	Low	Warning
Task 3	10/01/2012 10:00AM	Low	Warning
Task 4	11/01/2012 10:00AM	High	Pending
Task 5	11/01/2012 10:00AM		Pending

4. Add New Task Page

The user can add tasks by clicking on the “Add” button on Task Manage page. The user can specify the name, priority, due date and description of the task. Priority is specified by sliding across a given priority bar with various colours depicting the level of priority set. Due date can be chosen from a calendar.

MTM:

The screenshot shows a mobile application interface for adding a new item. At the top, the status bar displays '3G', a battery icon, and the time '4:03'. The app's header is dark grey with a logo on the left and the title 'Add New Item' in white. Below the header, the form has a white background. It includes a 'Task name' label and a text input field containing 'name'. Below that is a 'Note' label and a text input field containing 'note'. A checkbox labeled 'Set due time?' is present and is currently unchecked. Further down is a 'Priority' label and a horizontal slider with a blue circular knob positioned at the left end. At the bottom of the form are three buttons: 'Cancel' and 'Save' side-by-side, and a larger 'SYNC' button centered below them.
